PRESIDENT'S LETTER

FE UNIVERSITY

Dear Fe University students, teachers, and board members,

Oh, the places we've been, the things we've learned, the people we've met!

In 2023 Fe University students studied Lake Superior, created beautiful wood products, learned to ski, dug deeper into our Native American history and the history of Ukraine, fascism, the 17th century witch panic and our court system. We traveled to Barcelona, Paris, Rome, Newfoundland and Greenland and the wild lakes in our own backyard. We spruced up our houses and learned to attract pollinators to our gardens. We made wild rice soup, walked on bogs and searched for beavers, gazed at stars and into the universe. We drummed and played guitar, shared stories about our grandchildren, made tea from trees, and last but not least, learned how to raise chickens here in the north.

As we begin our 10th year of offering classes to seniors in the Northwoods, we reflect on the accomplishments of 2023. We offered a record 38 classes taken by 427 students, approximately 80 of whom were new to Fe University. That's up from 313 students in 2022 and 356 in 2021. The largest attendance ever was for the Lake Superior class with 76 students enrolled. We posted on Facebook 156 times and sent out about 25 emails to students.

Thank you to all our wonderful teachers: Chad McGrath, Dr. Mary Magray, Tim Lutgen, Dr. Tom Fitz, Dr. Peter Levi, Dr. Titus Seilheimer, Cindi Stiles, Natalie Patritto, Gary Theisen, Dr. Michael Hittle, Mary Nelson, Susan Goulet, John Bates, Mary Burns, Susan Knight, Dr. Brian Tarro, Rusty Wulff, Bruce Bacon, Dr. Gary Sanders, Rev. Erv Teichmiller, Sam Filippo, Hannah Gargrave, Jamie Van and Jenna Malinowski.

Thank you to our generous donors for helping us keep our doors open. Thank you to our board members, who work hard behind the scenes to keep our doors open—Macy Washow, Rich Pegg, Roxanne Lutgen, Bob Traczyk, Bob Kary, Mary Magray, Peggy Bronsberg, Tim Lutgen, Paul Sturgul, Joe Lemke, Wendy Thiede. Thank you to Callie for keeping us on our toes.

But most of all, thank you to you, our students, for your endless curiosity.

Happy New Year, and stay curious,
Wendy
